Petals of Singapore

By Audrey Tan

Audrey Tan is a gifted Singaporean artist whose expressive works blend art and hidden thoughts into striking visual stories.

From exhibiting at Boomer Gallery in London to ION Art Gallery in Singapore, her creations captivate with their depth and emotion. Whether she's painting soulful portraits or intricate botanical designs, Audrey brings a unique, introspective perspective to everything she touches. Explore her world on Instagram ([@artbyaudreytan](https://www.instagram.com/artbyaudreytan)).

We're very fortunate to have her create this special colouring book to celebrate SG60.

We hope you enjoy The SG60 Petals of Singapore Colouring Book, a bloom collection by Audrey and a tribute to Singapore's 60th birthday, featuring hand-drawn flowers you'll spot across our island.

If you'd like to explore more creations, you can also visit singmedical.sg/colouring-books to download our other colouring books.

Happy colouring!
